I SHOULD KNOW - Mavericks

Intro:- F   C7   F   C7

F   C7   F   C7
Every night alone,   Every night I spend without you
F   Bb   F   C7
Every little thing about you,   runs right through my mind

F   C7   F   C7
I wonder where you are,   And do you ever think about me
F   Bb   F   C7
And if you ever get the feeling that there's something missing too

F   Dm   C#   C7
But I should know, You'll never come back to me
F   C7   F   C7
Even though I will always love you, I should know

F   C7   F   C7
I'm the one to blame, thought that I'd do fine without you
F   Bb   F   C7
I could fool myself and tell me everything's alright

F   C7   F   C7
Every night alone,   Every night I spend without you
F   Bb   F   C7
Every little thing about you,   runs right through my mind

F   Dm   C#   C7
But I should know, You'll never come back to me
F   C7   F   C7
Even though I will always love you, I should know

SOLO F Bb F C7

F   Dm   C#   C7
But I should know, You'll never come back to me
F   C7   F   C7
Even though I will always love you, I should know

F   Dm   C#   C7
But I should know, You'll never come back to me
F   C7   F   C7
Even though I will always love you, I should know
