V1

Riding along in my automobile

G

My baby beside me at the wheel

G

I stole a kiss at the turn of a mile

C

My curiosity running wild

G

Crusin' and playin' the radio

D

With no particular place to go

G

v2

Riding along in my automobile

I's anxious to tell her the way I feel

So I told her softly and sincere

and she leaned and whispered in my ear

cuddlin' more and drivin' slow

with no particular place to go

Guitar Solo

V3

No particular place to go

So we parked way out on ko-ko-mo

The night was young and the moon was gold

So we both decided to take a stroll

Can you image the way I felt

I couldn't unfasten her safety belt

V4

Riding along in my calaboose

Still trying to get her belt to loose

all the way home I held a grudge

for the safety belt that wouldn't budge

Crusin' and playing the radio

with no particular place to go

Guitar stuff and outro
